

# Whoo am i? paper bag craftivity

Whoo are you? Your teacher and classmates would love to know more about you! Follow the directions below to create your paper bag owl.

Cut the top 2 corners off of the bag at an angle. Cut out all pieces and glue to bag as shown in the example. Write name on name tag and glue to the front of the bag.

Add the following items to your bag and then staple, glue, or tape shut at the top as shown in the picture:

- Baby picture of yourself
- Photo of your family
- Something that relates to your hobbies
- A recipe or photo of your favorite food
- Something special to you
- Something that is your favorite color
- Your favorite candy

You can only use items that will fit into the bag. Be creative! If the item is too large to fit in the bag, take a photo of it or find a smaller model of it to place inside the bag.

Yes, you may get help from a family member for this project!
